“Bringing Out the Best in Kids”

An Optimist is a member of a service club dedicated to helping the youth and improving their community. Although we are part of an International organization, each club is operated independently, running and supporting programs most needed in their community, as decided by its club members. By being a member of an Optimist club an individual grows as he or she gets involved in their own neighborhood, making it a better place to live while meeting and making new friends with similar goals and interests.

Consider how you might positively impact the life of a young person in Puslinch, while enjoying the fun and fellowship of being a member of the Optimist Club of Puslinch.

There is no minimum number of meetings to attend, or a minimum number of hours to donate.

“Give what you can, when you can and enjoy doing it”.

Below are just a few of the accomplishments of our club:

- ORC (Optimist Recreation Centre)
- Outdoor basketball court in Arkell
- Annual Post-secondary school scholarships
- Annual Oratorical Contest for youth
- Township clean-up day
- Santa Claus Parade (November)
- Canada Day celebrations (July 1st)

For over forty (40) years we have served the people of Puslinch. We are the largest service club in the area. There is so much more that we can do, but we need **YOU** and others like you to help us fulfill our mandate and meet our goals. Come help us make Puslinch a better place to live for all of our residents.
